

# PROCESS AND PRICING

When you hire a resume writer, you are paying for a keyword-stuffed Microsoft Word template. When you access Intelligent Job Seeker, you are purchasing competitive knowledge, unique to your situation proven to lead to better career decisions.

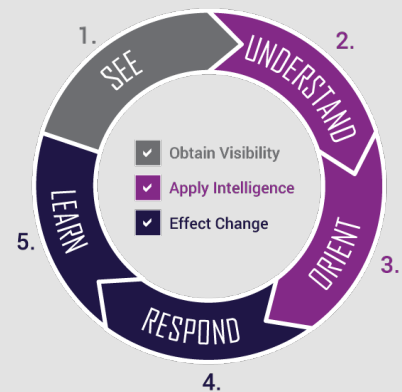

**01 Intelligence Gathering.** Complete the Intelligent Job Seeker Survey and send a copy of your resume to your designated career advisor. They will contact you to confirm receipt and will suggest competitive data based upon your salary requirements, years of experience and target jobs.

**02 Data Presentation.** KAS Recruitment professional will gather up to half a dozen examples of top resumes in your demographic. All identifying information will be excluded.

**03 Job Search Insight Provided.** \*Your career expert will provide you with 6 strategic recommendations in order to assist with extracting the bigger picture from the data.

**04 Salary Analysis Provided.** \*KAS will provide an estimate of each profile's salary. The insight will allow you to go into contract negotiations with a better frame of reference.
